Much of the success in the sale of Roses is in your customers knowing how to plant and treat them. We have prepared a circular on "**The Planting and Care of Roses**," a copy of which, if given to each buyer of roses, enables him to grow them satisfactorily, and a satisfied customer is one of your best advertisements.

Price—100 copies, 35c; 250, 75c; 500, \$1.25; 1,000, \$2.00. Your name and address printed free of charge in lots of 500 and over. Copy free.
